Limited lifetime Warranty

KHS Services Ltd, Malta (hereafter called KHS) will provide for repairs to the sheet metal for your vehicle when KHS's Paintless Dent Removal (hereafter called PDR) repairs are responsible for defects to that sheet metal as specified below under the following terms, conditions and limitations:

Warranty This warranty applies to the panel (s) on you vehicle, which is (are) PDR repaired by KHS. It covers your vehicle under your subsequent ownership during the WARRANTY period. The WARRANTY only applies to the SECTION of the panel (s), which has been repaired by KHS and its authorized designees. SECTION is defined as the portion of your panel (s), which was dented, and subsequently PDR repaired by KHS; and only that specific portion of the affected panel (s).

Warranty Period: The WARRANTY PERIOD corresponds exactly to the warranty period provided by the MANUFACTURER of your vehicle for coverage of defects in paint finish and corrosion resistance or as long as you own the vehicle, whichever is greater. That is, KHS warrants that its work will not compromise the finish or corrosion resistance of the sheet metal panels on your vehicle for as long as you own the vehicle.

Warranty Repairs: Repairs of the defective PDR work performed by KHS shall be limited to those performed by a repair facility, which employs standards refinishing and repainting repairs to the sheet meta panels. KHS shall pay for the cost of necessary repairs directly to the repair facility, which performs said repairs. The selected repair facility shall be one chosen by KHS upon review of at least two (2) estimates of repair costs submitted by you.

Repair Charges: There shall be NO CHARGE to you for approved repairs performed according to the specifications outlined above. KHS shall not be responsible for charges of non-repair nature, e.g., cost to rent a replacement car while a "body shop" repairs the affected sheet metal panel (s) or, for items such as loss of vehicle use, or for time or wages lost due to the performance of warranty repairs.

Warranty Limitations: You MUST check the paint finish and anti-corrosion warranties provided by the MANUFACTURER of your vehicle. Its limitations as the causes of defects, which qualify for the MANUFACTURER'S coverage apply to the KHS WARRANTY as well. Specifically, KHS Warranty is limited to defects caused by KHS's PDR repair work. ALL other paint, finish and corrosion coverage is reliant upon the terms, conditions and limitations of your vehicle's MANUFACTURER'S warranty.
